

Nottuswarams

(Ragam: Sankarabharanam)

The nottuswarams are a set of compositions in Carnatic music by Muthuswami Dikshitar in Shankarabharanam ragam. They are a fusion of old Western Classical tunes with the tradition and richness of Carnatic music. Composed in without typical Carnatic gamakams, these compositions sound more like the Western Major Scale. Since these are much simpler to learn, it encourages children/beginners to learn Carnatic music with fun.
